- 03/17/18 Matters arising
- a. *Work on the cottage was now complete. A landlord check needs to be conducted*
 - b. *Work on the phone box was to be completed. There was a suggestion that it should be moved to outside the village hall. This had a mixed reaction. It was decided to survey the village over the matter. The village Hall committee village Hall trustees Upton PC and LCC Highways would need to be consulted. RG will attend the village hall committee meeting on 21 September and broach the subject.*
 - c. *Hedging. No further work had been taken so the clerk would contact local firms to get quotes. T was also thought that the willow tree in the cottage garden needed trimming and the pigsty pulled down*
- 04/17/18 SF stated that the burial ground was not looking at its best. The gates needed painting and the carpark needed weeding. The clerk would contact the clerk to see if anything was planned to do the required maintenance.
- 05/17/18 There was some concern about the children's play area. The chippings were not up to standard and one of the sleepers had disintegrated. The clerk would contact Mr E Wooley regards this matter
- 06/17/18 RG stated that two parishioners had contacted the LCC re blocked drains at the bottom of Glentworth Road. The council confirmed that there may be blockages but that they were unable to start the work for 3 months to allow for consultation on closing the road to do any repairs. The work has been pencilled in for January 2018
