Temporary Allotments for gardening are to be granted to any applicants under the following terms and conditions.

The rental for a period of 364 days is £25 per temporary allotment (1<sup>st</sup> April to 30<sup>th</sup> March). In order to allow for the expansion of the burial ground, the number of temporary allotments will decrease over a period of time. Allotments should not be visited on 31<sup>st</sup> March.

Water may be available for use of allotment holders, but hosepipes and sprinklers etc. may **not** be used.

All temporary allotment holders must:-

- 1 One garden shed per plot may be erected at the rear of the plot - maximum 6 feet X 8 feet. No polytunnels allowed.
- 2 Keep the plot tidy and the pathway clear;
- 3 Not interfere with any funeral taking place;
- 4 Respect the rights of visitors to the graves;
- 5 Not allow illegal crops to be grown;
- 6 Ensure that no burning is carried out at any time of the day of a funeral;
- 7 Ensure that dogs do not roam around the area;
- 8 Not allow any other animal onto the burial ground or temporary allotment;
- 9 Ensure that the water supply is turned off after use.

.....

I agree to the terms and conditions outlined above. The £25 rental for the period 1<sup>st</sup> April, 2020 to 30<sup>th</sup> March, 2021 is enclosed. (*Cheques made payable to "Upton & Kexby Burial Authority"*)
